OUR SILENCE IN PRINT

During the past three weeks was due to the fact that we did not know whether we would, at the expiration of our present lease, be able to secure an extension.

WE TAKE PLEASURE

In advising our friends and patrons that we have been successful, and will remain with them.!

We Propose to Make It An Event, and on Monday, October 3, 1898, we start out with one of those **SYNDICATE SALES** that has made this store more talked of in the short time we have been in business, than all other stores combined. It is because we give you **The Highest Values, The Lowest Prices.**

The Syndicate Store is the only store where you will find these two things together. You will find them separately in any other store in the city. Our Entire Store has Been Very Carefully Restocked and if You Can't be Pleased Here, You Can't be Pleased. The prices throughout our Mammoth Store are what are termed in trade as "Moving," not Stationary. In most of our lines We Sell at Less Than Other Merchants Purchase for. We are Cash Buyers and Cash Sellers. No bad book accounts concealed in our prices. We don't have them. We get along on Closer Margins. We do Business Closer in every way.

Come In And Look, Anyway, we're glad to see you whether you purchase or no. We only price a few articles in the margin. We have better grade in several lines at a trifle better prices. They match themselves.
